## How do I Identify my Apprentice?

We have identified 4 questions that will assist you in prayerfully considering who in your group may be a good apprentice.

- 1) Can your potential apprentice point to a time when they began a personal relationship with Jesus?
- 2) Does your potential apprentice faithfully attend Athens Church and participate in your group meetings?
- 3) Do you feel that your potential apprentice is a teachable person?
- 4) Have you seen your potential apprentice connect with the other members of your group?
